

WHAT YOU NEED TO KNOW

We have added many safeguards to protect our employees and our guests. Tribute is closely adhering to recommendations by the CDC and government agencies to ensure the health and well being of our guests and staff.

As a precaution, we will be discontinuing: Shirt steaming, change of shirt, infused water and open glass beverages until further notice.

Due to restrictions regarding the face, the following services are unavailable until further notice:
Facials, Face Shaves, Beard Trims and Nose Waxing.

We apologize for any inconvenience and will notify you as soon as they become available.

ARRIVAL

Please call us when you arrive so we know you are here. We ask that you wait in your car until your Service Provider is ready. At that time, we will call you to come inside. **We will have 3 questions to ask you:**

Have you had a fever?

Have you been exposed?

Are you experiencing Flu like symptoms?

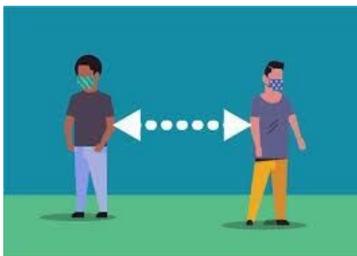

If you answer yes to any, we will have you reschedule for a later date.

SANITIZING STATIONS

We have Service Providers utilizing two stations each day. After each service, we will clean and sanitize the area and our tools in preparation for the next guest.

HAND SANITIZER

Between each guest, technicians are washing or sanitizing their hands. We ask that you do the same upon arrival into the facility.

SOCIAL DISTANCING

We have spaced out each guest to ensure we maintain the 6 foot social distancing recommendation.

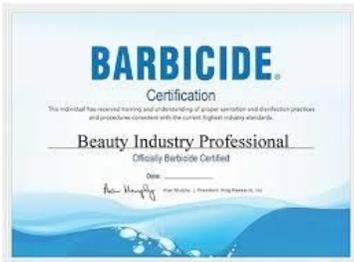

WEARING MASKS

Every staff member is asked to wear a mask and we are asking our guests to do the same to help protect each other.

HIGH TRAFFIC SURFACES

Complete sanitation of doors, handles and other highly used services will be cleaned regularly.

**BARBICIDE
& BARBICIDE COVID19
CERTIFIED**

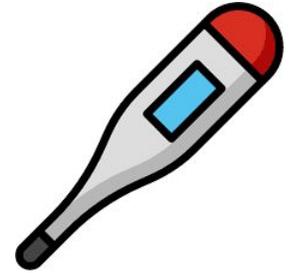

Every staff member has passed 2 sanitation courses through Barbicide and received their certifications.

GLOVES

Stylists Optional
Guest Service Required

Stylists will only use them during chemical services. Gloves are meant to avoid cross contamination. Our Front Line employees will be required to wear them as they will be handling numerous items throughout the day.

TEMP CHECKS

We will be checking our staff's temperature prior to the start of their shift.

AIRTHEREAL OZONE PURIFIER

After each day, we will turn on the machine to deodorize and sterilize our space from any odors, mold, bacteria, viruses and VOCs.
